Ricardo Cárdenas Montenegro is a graduate lawyer from the Law School of the Pontificia Universidad Católica del Perú. His practice is focused in Financial and Tax and Mergers and Acquisitions.

He has experience in tax consulting to several national and foreign clients, as well as advising or representing clients in administrative proceedings before the National Superintendence of Tax Administration (SUNAT) and the Tax Court.

Also he's been involved in several corporate finance transactions and mergers and acquisitions related to the fishing industry, such as the sale of **Jadrán S.A.** for US \$ 29 MM and the sale of 50% of the shares of **Pesquera Galeb** for US \$ 8 MM.

During years 2003-2004 he was assistant professor for the course of Introduction to Law Sciences at Pontificia Universidad Católica del Perú.

He speaks fluently Spanish and English.
